EXCELLENCE FROM EVERY ANGLE

## COUNTERTOP TEMPLATE & INSTALLATION

### 1. PLUMBING INFORMATION – Email to your Sales Representative ASAP

In order to maintain your schedule, we need the following information:

- **Sink Brand and Model # for all areas** (Ex: Kitchen, bathroom, laundry, etc.)
- **Faucet Brand and Model # for all areas** (Ex: Kitchen, bathroom, laundry, etc.)

### 2. TEMPLATE DAY

- Existing countertops must be completely cleared off.
- The template process will take roughly 30 minutes.
- Sinks and faucets must be on site.
- Please plan to be present.

### 3. INSTALLATION DAY

- Please clear everything out of the base cabinets and remove drawers. Our installers need access to the underside of your existing countertops.
- Existing sink, faucet, and garbage disposal must be disconnected.
- Existing cook top must be disconnected.
- Corbels supports must be installed.
- Please clear drive-way and sidewalk for easy, safe access.
- Pets must be confined from the installation site.
- Sinks must be on site at the time of install.
- Do not attempt to install any new plumbing for 12 hours after installation.
- Silicone and adhesive odors will dissipate within 24 hours.

### 4. CARE AND USE RECOMMENDATIONS

- Clean granite with soap and water, seal annually.
- Clean quartz with soap and water or a countertop cleaner approved for quartz.
- Clean solid surface with soap and water, ammonia-based household cleaner, or a dedicated countertop cleaner.
- **Abrasive pads & cleaners (CLR, Lime Away, etc.) will dull and possibly damage the finish of granite and quartz.**
